IT'S YOUR STORY

Nail Art Gel

New design with the painted gel nail polish and the pull line pen combine, it is super convenient for the professional salon beauty salon or at home personal use for starters. Each bottle has a thin pen brush, no need to change and wash clean the drawing liner pen brush when doing the nail art. Our painted gel nail polish kit can be used as colored gel nail polish, drawing gel liner, and can be used to DIY nail patterns like flowers, birds, cartoon, and anything. And this colored nail art gel can also be used on UV gel nails, gel nail polish, acrylic nails, fake nails, nail tips.

Canvas Gel

Vivid 3D textures like Van Gogh's Sunflowers. The natural skin matte effect, without the need for sealing with Top Coat. Its texture effect is unique, and fine and rough can be perfectly presented. Multiple Uses DIY AS You Like. Wide open your mind and unlimited creativity.

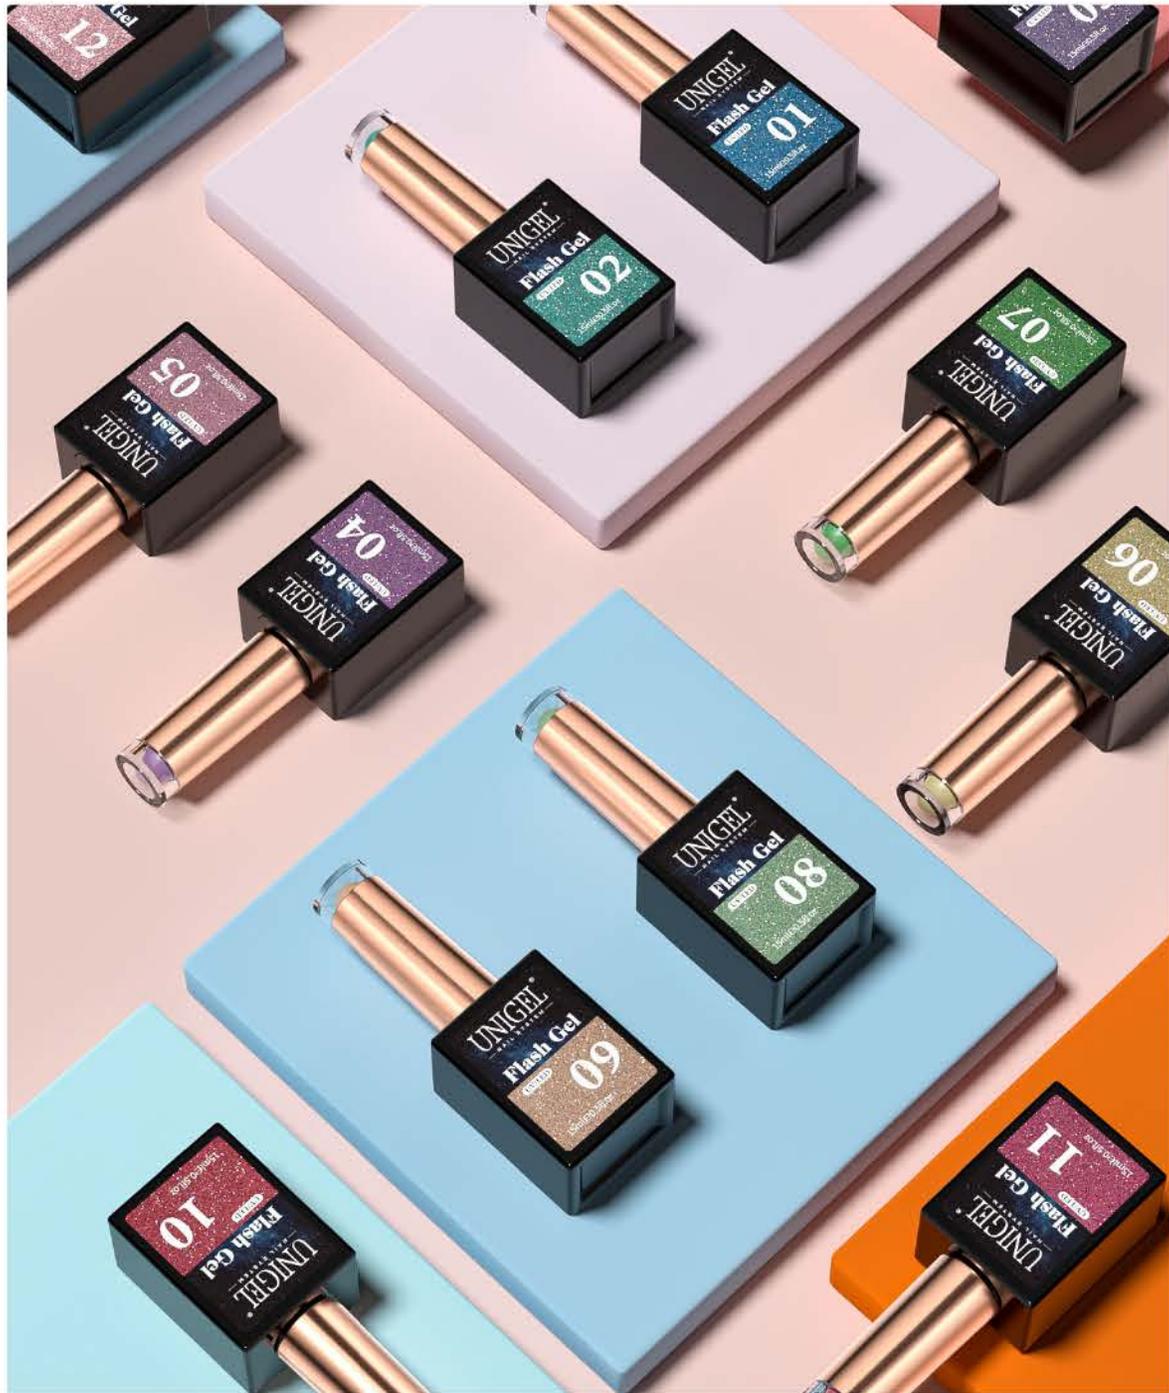

Watercolour Gel

Blooming nail ink is naturally dried. Dip it and wait for 5-10 second to bloom on the nails, dry naturally. Perfect for both professional use and personal use.

•Dimension: 5g

Flash Gel

Smooth & Dense Gel Texture Self-levelling
Flexible support prevents nail damage, maintains lasting gloss. Thick
Consistency Provides rich pigmentation, offering glossy color in a single
coat.

Pearl Gel

Toxin-Free/Low smell/Natural Resin/Cruelty-Free

Pearl color with special aurora shimmer effect, natural and elegant, make you charming in the crowd. Craft Your Own Color

Carved Adhesive Gel

Carved adhesive gel, also known as 3D carved gel or 3D sculpting gel, is a type of gel nail art product that is used to create 3D designs on the surface of the nails. Some of the features of carved adhesive gel include:

Textured finish: Carved adhesive gel creates a textured finish that can be raised or 3D in appearance. This makes it ideal for creating intricate and detailed nail art designs.

Versatility: Carved adhesive gel can be used to create a wide range of nail art designs, including flowers, animals, geometric shapes, and more. It can also be used to add texture to other types of nail art, such as ombre or glitter designs.

Customizable: Carved adhesive gel can be customized by mixing it with other types of nail art products, such as glitter or pigment powder, to create unique designs that are tailored to your individual style.

Can be carved and shaped: Carved adhesive gel can be carved and shaped after it is cured, allowing for even more intricate and detailed designs.

• **Dimension: 15g**

4D Pvc Gel

- Non-floating & Easy to Apply
- Multifunctional & Strong Adhesion
- Comfortable to Wear & No Air-Bubbles
- Multi-functional- Also Suitable for Rhinestone Adhesion & 3D Nail Art
- 100% New and in high quality
- Soft texture, non-sticky, easy to shape shape, professionally carved.
- Allow you for professional or home nail art design.

• Dimension: 15g

Emboss gel / 4D Painting Gel

Emboss gel/4D painting gel is a type of nail art product that is used to create raised designs on the surface of the nails. Some of the features of emboss gel include:

Textured finish: Emboss gel creates a textured finish that can be raised or 3D in appearance. This makes it ideal for creating intricate nail designs that stand out.

Versatility: Emboss gel can be used to create a wide range of nail art designs, including flowers, leaves, geometric shapes, and more. It can also be used to add texture to other types of nail art, such as ombre or glitter designs.

Customizable: Emboss gel can be customized by mixing it with other types of nail art products, such as glitter or pigment powder, to create unique designs that are tailored to your individual style.

• **Dimension: 15g**

Cream Gel

No worry about getting sticky dirty again! With really thick cream and smooth texture, solid cream gel nail polish will be no leaking pots. Special nail gel for nail art can be used as normal color gel nail polish, printing colors gel, painting gel polish. With highly pigmented, only one layer can present a stunning effect. easy to use for hand painting, drawing, pulling lines, striping, etc.

•Dimension: 15g

Liner Nail Art Gel

New design with the painted gel nail polish and the pull line pen combine, it is super convenient for the professional salon beauty salon or at home personal use for starters. Each bottle has a thin pen brush, no need to change and wash clean the drawing liner pen brush when doing the nail art. Our painted gel nail polish kit can be used as colored gel nail polish, drawing gel liner, and can be used to DIY nail patterns like flowers, birds, cartoon, and anything. And this colored nail art gel can also be used on UV gel nails, gel nail polish, acrylic nails, fake nails, nail tips

•Dimension: 10ml

Gel Paint

You can use it as a regular color nail polish set, or as a gel paint for nail design. Suitable for nail art painting to create your own nail design, easy to apply to extend your nails and make your fingertips more attractive.

Nail polish is made of natural resin, which is safer and has a lower odor. It is very suitable for professional salon use or home DIY nail art. Suitable for natural nails, UV/LED gel nails, false nails, acrylic nails, nail tips, etc.

•Dimension: 5g

Stamping Nail Polish

DIY Nail Art Stamping Kit Multiple colour. Comprehensive, ultra high quality and includes all you need to ensure your nails look amazing and stylish. Nail art stamping plates designed with different patterns which meet your various needs. It uniquely and professionally designed with a silicone jelly stamper head. Each stamper is clear to ensure you place polish stamp pattern on accurate location of your nail. With a scraper for removing excess nail paint from stamp plate.

•Dimension: W32mm/D25mm/H87mm

Marble Ink

Blooming nail ink is naturally dried. Dip it and wait for 5-10 second to bloom on the nails, dry naturally. Perfect for both professional use and personal use. Magic Marble Blooming Effect: You could create wonderful magic blossom effect you like, such as different watercolor ink colliding effect, naturally realistic flower effect, marble pattern effect. Unigel blooming effects: Can be used to make different nail designs over any gel nail polish such as water-color, marble, stripe or flower etc. Note: it's different from blooming ink polish.

•Dimension: 15ml

Ombre Painting Gel

- Color painting
- High Saturation
- Gradient in Natural and Delicate
- It contains very high pigment and has a very delicate texture.

Ombre nail art gel is a new generation of Nail Art gel. With a new formula design, you can easily make ombre nails with it, and you don't need to use a spray gun anymore.

It contains very high pigment and has a very delicate texture.

You need only a sponge to finish the whole hand with ombre nails. Ombre nail art gel is easy for every beginner, nail salon, and professional technician as well. It lets you make ombre nail styles faster, save time and make money quickly.

We have more than 100 colors for you to customize!
